ZERO GRAVITY

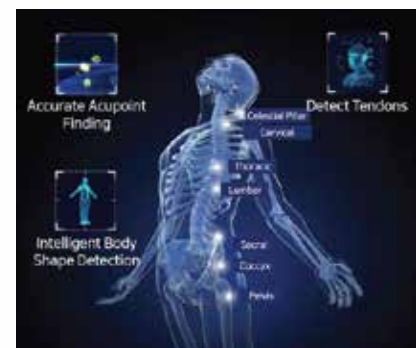

Zero gravity creates a completely relaxing, natural, and comfortable massage posture, allowing the back and legs to be tilted synchronously at zero pressure. The space capsule-like tilted state lets you enjoy the fun of a zero gravity massage.

Intelligent Health Detection

*Dios 7300 Chair personalizes your massage experience like never before. Built-in health sensors track your heart rate, blood oxygen, and Microcirculation levels. Using this data, the Dios 7300 tailors the massage to your exact needs, promoting deep relaxation and optimal well-being.

Micro-Current Shape Detection

Using Micro-Current technology, the precise scanning system accurately identifies each individual's acupressure points to deliver an optimal massage. With the delicate sensing capabilities of advanced AI, it provides an even more professional and specialized massage experience.

7D Dual Air Tech Touch Health Care System

A total health management solution that delivers professional-level care in the comfort of your home.

An advanced AI healing system equipped with cutting-edge 7D dual air rollers and healthcare sensors that monitor heart rate, blood oxygen saturation, and blood circulation in real time to deliver a personalized massage experience.

Celebrity Reviews

Martha Stewart

Just trying out my @kahunachair for the first time, we put it in the office so everyone could have the opportunity to use it. I must say it is a real treat and very good for stress relief and muscle aches and stiffness.

Jamie Foxx

When i am stressed i have to laid on the big KAHUNA. Most incredible massage chair. You'll ever feel in your entire life. The big KAHUNA!

Laurence Fishburne

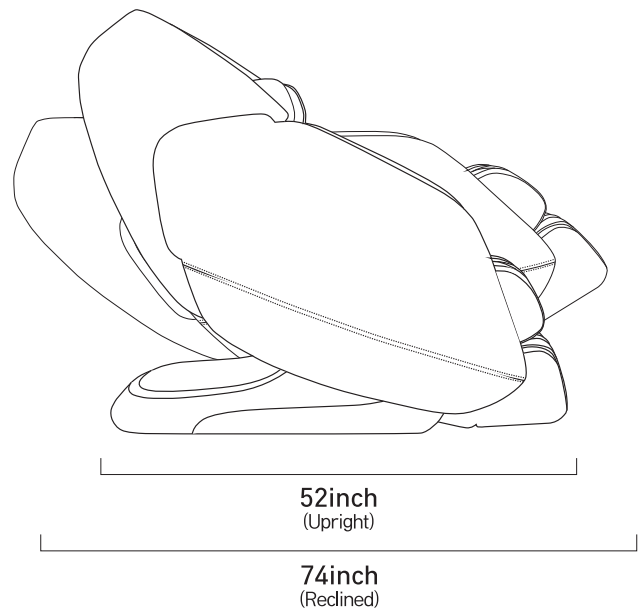

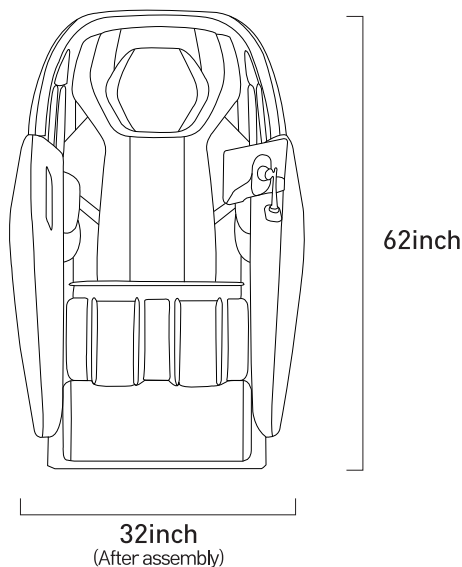

This is something else, Foot is great, The feet! Amazing, Wow.
